don't take your love to town. take it to the back yard

A year ago I was making port wine outside of Porto in Portugal. Today, I'm almost a super model in Miami Beach. That's quite a change for me. I was tanning topless on the beach when this guy came up to me with his friend filming everything. He asked me if I would like to come to party at the Savoy Hotel. Well, I decided to go and now I'm making adult movies, and drinking port.

my virtual laundry day

It was warm in the empty laundry room of my apartment building and the hum of the few washers and dryers lulled and comforted me after a long day at work. To pass the time, I put on my headphones and settled into the sounds on my music player. I closed my eyes and relaxed against the washer, lost instantly to music, and the vibrations from the washer which enveloped me. This is a virtually true story that happened to me.

Not ten minutes into it, my mind wandering from song to song, I leaned forward across the washer, swaying my hips to the beat. Suddenly it was then that I became aware of the lightest of touches against my neck, and then another on my shoulder as soft hands reached around moving against me. I feel a warm, hard body as the straps of my dress slip from my shoulders to my arms. Soft kisses on my cheek, neck and shoulder and I arch my back and turn my head around towards the warmth.

My eyes are still closed when warm lips find mine. First softly they kiss me, sweetly caressing mine, then more urgently until a searching tongue finds its way between and is met with mine. The unknown hands leave my shoulders. One finds its way inside my dress to my breasts, nipples now awakened by the rough touch, are pinched and tormented. The other hand slips lower, just barely brushing against stomach until it slides my hem up to reveal my panties and then slips inside the elastic band.

I find myself grinding against a sudden hardness pressing against my lower back and at the same time against the two fingers that have opened me up to allow the third to work expertly on my clit. I moan desperately as it is slowly dipped inside then back again precisely rubbed across its now slick target. Like the clothes in the washer in front of me, I am being worked to lather. I cannot contain a shiver as I feel my undies peeled to the side from behind and I am lifted slightly.

A hot, hard cock slides easily between my thighs and presses against my wet swollen clit, lingering and retreating. I cry out as I am driven crazy by the sensations and my legs are trembling and then when strong hands hold me by the hips, the thrusting begins at last. I am pressed hard against the washer which is now vibrating madly on its spin cycle, sending delicious sensations through me from the front while I am riding against him from behind.

The soaked lace from my panties is rubbing across my clit with each thrust sending tremors through me and I feel myself clamping down onto his cock as I start to cum. Crying out I fall forward onto the washing machine which finished its spinning, just as I did.

Suddenly the earphone is pulled roughly from my left ear. A woman's voice is asking me if I am alright. I open my eyes and notice it's the manager. I say, “Yeah, yeah. I'm alright.” as I look around the laundry room searching apparently in vain for that warm, hard body.

my pretty one

Sativa, you are one hell of a woman to watch. I've been in love with you from the moment I set eyes on you. You are, in my eyes, the most beautiful, sexy, seductive hottest girl I've ever seen. I love having serious fantasies about you. Your layouts are the only pictures that turn me on. I just turned 24 years old and I have a gifted nine-inches of hard dick. I can definitely imagine me grabbing your hips and fucking you hard and rough. Can you take it?

Sativa, I don't expect you to act like a lady neither. You'd be surprised what I can teach you. Don't let my age fool you. You're my wildest fantasy and I'm ready to do everything you tell me to as long as I can have you in any way I want. I make love to your picture three times a day. You have a beautiful pussy and it stays wet.

I love eating pussy and I'll eat yours all night long. I have a nice size tongue; I'll eat your pussy and asshole at the same time. I know you can't resist my nine inches. I'll slip your tight little asshole wide open. with my hard cock. Your pussy looks real tight also.

I promise I'll treat you like a queen in the beginning. Lord knows I wish I could have an intimate encounter with you. The sun and the moon exchange places but I wanna embrace you and exchange faces and get a chance to know you with no questions. I know you're hungry for some young loving. I'm very aggressive and demanding and rest assured I‘d have you hooked and screaming for more.

I'm excited just writing this message. I see you now, sucking my dick while your fingers are popping yourself at the same time. If only for one night, I'll fuck your brains out while you're reverse cowgirl. My performance is exotic and obviously possible. I'd do anything to make love to you and give you a tongue bath. I hope to hear from you soon.

In closing, it'd be real special to have the chance to meet you. Love wouldn't have anything to do with it. It's all about sex. And I'm quite sure for you it'd be a dream come true. Until we meet, I'll just keep looking at your pictures and watch your video over and over until my password is no longer accepted, stay as beautiful as you are. I sing you these soft words from a hardened cock.

oral fascinations

Your fingers unzip my blue jeans. Strange, but for a moment I thought of doing that to you but the whole idea of you undressing me was making me quite aroused. Then you stripped off my jeans leaving me just in my panties. Then you got hold of the waistband and pulled down my panties. I finish removing them making me butt naked. I had always been comfortable with my body but when your eyes are staring at me, it feels like my body's been exposed for the very first time.

Now, I'm lying on the bed as I see your eyes taking in my bared treasure. You tell me that I'm the most wonderful girl you have ever known. I smiled, slightly embarrassed because it's not like you to say something like that. But hey, you're still completely dressed.

You come over me and kiss me again, moving down on me kissing my neck and you suck on my boobs. I think you really like my boobs. There's no reason why you shouldn't like them, after all they are full round and with hard pink nipples asking to be sucked.

My heart's beating hard in anticipation when I feel your hot breath hovering over my mound. I'm not sure if you are going to do anything or just tease me now. Then a sudden kiss on my pussy ends my speculation. A mere touch of your lips on my pussy and my body shivers in anticipation of what you'll do next.

You gently open my legs for a better view and touch my pussy lips very gently. You spread them to have a closer look at the insides. With a wet finger you touch my moist lips and penetrate inside me. Once your finger is inside up to the third knuckle, you start stroking me while applying pressure on my clit with your other hand. I look down and see that your finger, which just penetrated my pussy, is all wet with my juices.

I was feeling build up of an orgasm when you pulled out your finger. You stick out your tongue and give a lick along the length of my slit making my back arch up asking for more. You spread my love lips again with your fingers and poke your tongue inside me. Your experienced tongue is licking my wet pussy dry as I feel another orgasm building inside me.

Your head is between my legs tormenting my clit and your fingers up inside my love hole when the inevitable hits me. I put my hands on your head shoving you harder onto my pussy and my toes curl up involuntarily when my second orgasm comes gushing through me. I am sure I must have flooded your mouth but nothing seems to dampen your passion as you keep on licking me.

My body had hardly relaxed for a moment when I see you stripping your clothes off. You yanked off your boxers letting your huge cock come into view. How in the world will such a long cock ever fit inside my mouth or my pussy? I put my soft hands around your dick and stroke it lightly before putting it inside my hot mouth.

I tried to take your dick inside my mouth but couldn't get it all, maybe you are just too big for me. I tried to deep throat you with my deep blue eyes now fixed on yours. I sucked your dick harder. I felt your dick twitch in my mouth and a loud groan filled the room as you came inside my mouth. As soon as I felt the first stream of cum hit the back of my throat, I pulled your dick out but had no option but to swallow everything in my mouth. It didn't taste bad but you just kept on cumming. I'm amazed to see that even after so much cum your cock hardly went limp and it's still hard.

Undaunted, you picked me up in your strong arms and lay me on the bed. We melt into sex. ●

Amy, Portland, ME

I'm pretty new to this sex scene in pictures and on video. Last year a porn video crew cane through our college and I was just dancing and gyrating topless in the background. I saw what went on and thought I could do that. So here I am doing that in front of a camera for only the second time. I hope you'll watch.

dinner was just the start

It pays to tip well...

She had put on a jacket and said she'd buy me dinner if I wanted to since I was so nice and we tipped her really big. $150 to be exact

It was late Saturday afternoon and I was with a few of my buddies at Gino's On Third, a local sports bar on the south side of town. We had just watched a couple of the afternoon's pro basketball playoff games while pounding a few brewskis. The barkeep was this fantastic chick that kept us in beer, smiling and cheering along with us as our chosen teams won or lost. Today Toni was wearing a black ribbed undershirt a couple sizes too small. Her full boobs pushed at the fabric and when she poured a beer her cleavage provided a perfect background for the pour.

When we first sat down, we joked about it and kept teasing Toni as the afternoon wore on. Her quitting time was five pm and about four, we started giving her a hard time about her tight top. After the third game of the day my buds split and I was alone at the bar. Most of the afternoon's sports fans had gone, and another crowd was coming in for the evening's games. I was headed for the door when I felt a hand come up behind me and weave it's way through to my elbow. I look sideways and it's Toni. She had put on a jacket and said she'd buy me dinner if I wanted to since I was so nice and we tipped her really big. $150 to be exact since the three of us guys sat there all afternoon and she probably lost count of our drinks. I smiled and said 'Sure, I'd like that.' So we walked a few blocks down the street to a cute little Italian place and ordered up a large pizza with pepperoni and lots of black olives. And by the time we finished we had downed a bottle of red wine also.

After dinner she asked if I wanted to go back to her place to watch one more game and I said sure, but only for an hour or so since I had to work on Sunday morning. I followed her to her apartment, parked on the street and met her at her door. Inside, Toni's apartment was nice, not too girly with neutral colors everywhere. I dropped my jacket on top of the arm of her overstuffed sofa.

She walked over to the television set and promptly turned it on.

The Heat and Mavs had just started from Dallas. She looked back at me and professed that she was a big Cavs fan now that their star went back to Cleveland. "They're gonna be tough this year." she said to me. I could sense the excitement in her voice. "I just love basketball" she said. "That's why I work in a sports bar!"

We sat close to watch the game. We talked football, baseball and basketball. We drank and laughed. Toni knew a lot about sports. As the first quarter ended, things began to heat up between us. She told me what a nice guy I was – that she enjoyed our dinner together and appreciated thatI came back to watch the game with her. Leaning over she gave me a little kiss close to my mouth and then planted one right on my lips. I responded in kind and the action started. She coyly slid a hand up my thighs and I was all over her chest, fingering her nipples over the thin material. No bra, of course. I liked that.

Abruptly, she got up and announced that she had to do something before the second quarter started. Mentally, I tried to calm my penis down hoping she would not leave me like this. She disappeared into the bedroom and came out about five minutes later. Plopping down on the sofa, she had left her pants in the bedroom and was wearing cute white cotton panties with a pink trim and wide waistband.

She approached me on the sofa and instead of sitting on it, Toni dropped to her knees right in front of me. She took my drink and put it on the side table and bending closer to me she whispers that she freshened up and wanted me to lick her pussy while she watched the game. My cock answered for me when she reached down and grabbed it.

Toni then pulled her panties off and sat back on the sofa. I asked if I could take my clothes off and she said that I had better. In two seconds I was naked and on the floor between her legs. I took her by the back of the head and pulled her forward so I could grab the bottom of her shirt and pull it off her. Her beautiful boobs were now exposed to me. I moved my hand to cup one of her breasts lightly.

I bent down and slowly moved my tongue over her erect nipples and heard her sigh. I sucked them gently but firmly and felt her quiver with excitement at what we were doing. I moved down further until my head was between her legs. I slowly licked her inner thighs and moved my tongue up to her pussy. It was moist and slippery. I opened her slit with my fingers and lightly licked and sucked her clit. It became harder under my tongue and I heard her inhale noisily.

I moved my tongue inside her wet hot pussy and licked her juices with a passion. It tasted salty but sweet as she wiggled on the sofa. She came with a rush; her face was crimson red from cum. I continued licking her for another two minutes until both she and halftime came.

At the half she stood up and told me to sit on the sofa. "I have twenty minutes to make you cum." she said. I told her I definitely didn't need that long, as she slowly moved her hand down and held my erect cock and knelt down and slowly licked and flicked the tip of it. Slowly she rocked back and forth until she had my cock in her mouth and slid her

tongue over the head. She played with my balls in her hand and I nearly spurt a load in her mouth right then and there. I wanted to blow, but knew it was too soon.

Toni's fine ass wiggled in the air as she slid the dildo deeply into her pussy and I lubed her butt hole

She backed off the blow job and gently stroked my cock as she said, "I didn't want you to cum just yet." "Why not?" I asked. She opened her mouth and kissed me greedily, because I want you to fuck me in the ass." she whispered as her fingernails titillated my shaft and balls.

I was totally dumbfounded. Trying to be less uncomfortable I asked if we have to finish by the start of the third quarter. She laughed and went to the side table, opened the drawer and pulled out a fair sized dildo. She held it up in front of me and said, "This is for my pussy." I was relieved because for a moment I thought it might be going into my ass. She got some lube out and put it on the sofa next to us. Toni got on the sofa on her hands and knees. She wanted this doggy style.

Toni's fine ass wiggled in the air as she slid the dildo deeply into her pussy and I lubed her butt hole as she moaned in anticipation. Bursting with eagerness, I slowly inserted my cock in her tight hole, a half-inch at a time. She gave a slight squeal as I pushed my rock hard cock into her hot butt. Grabbing both cheeks, I spread them apart. I felt her stiffen when the depth of my cock hit deep inside her. I moved slowly first, then faster and deeper as she slid her dildo in and out of her pussy. I could feel it against my cock as another orgasm built up in her, then erupted. I wrapped my arm around her, holding both her boobs in my hands as I moved in and out of her amazingly tight brown flower.

She groaned in delight as I felt her hot skin beneath me. The teams were headed back onto the court as halftime was expiring and she again rose to orgasm. I felt my balls fill and my cock throb as my cum started to spurt from my bursting cock. Toni moved from under me and grabbed my cock in her hands and brought it to her mouth fulfilling all my sexual desires, watching her swallow my hot jizz as it spilled out from her lips. She licked my cock clean and washed it down with a sip from her wine glass.

I took the glass away from her and rolled her over on her back and attacked her sloppy wet pussy with the dildo still in it. I pushed it in deep and knelt down to lick her clit. She was in ecstasy as I licked and pumped the dildo. She came one more time, her love juices flowing out of her and all over me and the rubber dick. I slowly pulled it out as I licked her incredibly hard nipples. She looked at me and then to the TV as the crowd noise got her attention. We both sat up and took in the game as I played with her tits and pussy and she played with my cock. I have to tell you, this was the most amazing game we never saw. Does anyone know who won?

i'm going to do it all for you. right here, right now

There's very little I won't do sexually. I was always a "hottie" as the guys would say and I liked living up to that reputation. Not a hottie like extremely pretty, but a hottie in the sack. I love doing fun and often nasty things. I know you want to watch me fuck, so I'll take on two for you.

sometimes it pays to be small, especially if the cock is large

I'm short but I like big men. I'm what one might call a 'spinner.' That where I sit on a cock and spin on it. It drives guys crazy and is fun for me too. I especially like to spin when I'm on a cock and raise my legs up and grab the. Then the guy grabs me by the hips and spins me. Imagine what it would feel like for me if the guy had a curved cock!
